

Statement on California Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986)

October 1st 2020

California Proposition 65, the California Safe Drinking Water and Toxic Enforcement Act of 1986, is intended to protect drinking water sources from chemicals known to cause cancer, birth defects or other reproductive harm, and to inform citizens about possible exposures to such chemicals.

Melexis' products may contain trace amounts of Nickel. There is no exposure to this chemical provided that the package's integrity is preserved. The Customer should determine whether warning workers and/or consumers pursuant to [Proposition 65](#) will be needed.
